LOCATION AND ACCESS

This site is 20 miles north of Carefree. From Carefree, take Cave Creek Road/Forest Road (FR) 24. The last 9 miles of FR 24 is an all-weather gravel road. The gravel portion of the road is narrow with blind curves.

ATTRACTIONS

- This recreation site is situated on the former site of the Civilian Conservation Corps Camp used in the construction of Seven Springs and Cave Creek recreation sites.
- CCC features large sycamore shade trees next to a small creek.
- CCC provides access to the Cave Creek trail system.
- This area is a good spot for bird watching

CONSIDERATIONS

- Not recommended for trailers **over 16 feet**
- Hikers and equestrians should park at the trailhead to the north
- No livestock allowed
